Dear Prospective Student,

Thank you for your interest in the GVFRS 2020 EMT Class. To complete the registration process, please follow the next steps:

1. Go to the Virginia Office of EMS Website and follow the instructions to register:
<http://www.vdh.virginia.gov/emergency-medical-services/education-certification/student-resources/course-enrollment/>
2. When registering for the class on the VA OEMS Website, enter the Class Code:
CRAIG16753
3. Email Seth Craig at emstraining@gvfrs.org when this is completed so it can be confirmed and you can be added to the class roster.
4. You **MUST** attend orientation and CPR training on **Saturday January 4th, 2020** EVEN IF YOU CURRENTLY HAVE A CPR CARD. You must also bring class payment on this day. Checks and Money Orders may be written to Gloucester Volunteer Fire and Rescue (GVFRS) for \$550.00, and must be paid in full. This includes everything INCLUDING the testing fee of \$50 that will be paid on your behalf to the Regional Council where you complete your National Registry skills testing.
5. You **MUST** attend Class on **January 7th, 2020** at 7 pm to complete the required “first night paperwork.” You will receive the entire schedule on this day.
6. Once you are marked “approved” in the portal, you may apply for a scholarship through VA OEMS. It is a continuous process but payments are not released until after the class has started and are made directly to the student. More information is on their website:
<http://www.vdh.virginia.gov/emergency-medical-services/education-certification/ems-scholarship/>

If you have any questions or need further help, please contact:

Seth Craig
