

# REMS IBSC Approved Critical Care Review Class

## **NEW FORMAT AND REVISED CONTENT!**

This **in-person, four-day, 32-hour** review class will include didactic lectures in the mornings, along with hands on skills sessions, and scenario training in the afternoons. It can be used toward your International Board of Specialty Certification (IBSC) CCP-C/FP-C, UMBC CCEMT-P, or Board of Certification for Emergency Nursing (BCEN) CFRN/CEN recertifications. You may also attend this class if you are preparing to take these advanced certifications, or just want to learn more about critical care medicine. You do not have to already be a critical care provider to attend. CME certificates for critical care hours and Virginia CE hours will be provided to all attendees.

Class will be held **April 15-18 from 0800-1700 each day**. Students must attend all four days.

Cost: \$400

Pre-registration is required at: [www.REMSCouncil.org/events](http://www.REMSCouncil.org/events).

### **Topics included:**

Communication, Safety, Crew Resource Management, Aircraft Operations  
Flight Physiology, Environmental/Toxicological Emergencies  
Advanced Monitoring and Diagnostics (Xray's, CT's, POCUS, labs)  
Advanced Airway Management, RSI/DSI, Surgical airway/chest tubes
